### NARRATIVE:

Thomas Rice is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm in public place, assault, felon in possession of a firearm, evading a peace officer with disregard for safety of others, possession of dangerous drugs without prescription, possession of controlled substances, hit and run, under the influence of controlled substances, petty theft with prior convictions and violation of protection order. He has served multiple state prison terms, the longest being an 8 year term for possession of controlled substances. Rice was released from state prison to the supervision of the Los Angeles County Probation Department on January 17, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2015 after he absconded from post release community supervision (PRCS). Rice qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
